ASEAN Comprehensive Recovery Framework (ACRF)

Broad Strategy 3

Maximizing the potential of intra-ASEAN market and broader economic integration

Launching of the NTM Toolkit to encourage good regulatory practices in the region.
Enhancing the ASEAN Single Window, digitising more trade documents, and harmonising standards on essential goods.
Adoption of the ASEAN Travel Corridor Arrangement Framework to facilitate the essential movement of people while safeguarding public health.
Adoption of the **Post-COVID-19 Recovery Plan for ASEAN Tourism** which provides coordinated measures in a phased approach to safely reopen the industry.

Endorsed the **ASEAN Guidelines on Hygiene and Safety for Professionals and the Communities in the Tourism Industry** and launched the “safe & warm” travel stamp to bolster trust and confidence among visitors to ASEAN destinations.
Adoption of the **ASEAN COVID-19 Guidelines for air operators** to restore passenger confidence in air transport, mitigate risk of COVID-19 transmission, and support the safe resumption of aviation activities in ASEAN.

Adoption of the **COVID-19 Recovery Guidelines for Resilient and Sustainable International Road Freight Transport Connectivity** to help ASEAN Member States addressing issues related to road freight transport and responding to the pandemic crisis in the three priority areas, namely: (i) transport workers’ safety and training; (ii) preserving connectivity for efficient and resilient supply chains; and (iii) building back better through digital, resilient and decarbonised transport connectivity.
The entry into force of the **Regional Comprehensive Economic Partnership (RCEP)** on 1 January 2022, the largest free trade agreement in the world, facilitating the expansion of trade and investment relations among its Parties.

The adoption of the **ASEAN Investment Facilitation Framework** to create favourable conditions for investment and doing business.
